there are numerous scam websites and apps that claim to give users hundreds or thousands of tiktok coins but all are usually online scams designed to either hack your tiktok account collect personal data or obtain your credit card and banking information

you need to begin by asking why people would want to follow you what do you offer that thousands of other accounts don't is it entertainment are you a good singer musician dancer or stand up comedian are you so bad at those things that you can make your videos funny can you create entertaining prank videos can you motivate people or provide them with helpful hints to improve their lives or are you merely yet another lip syncher who doesn't add any value to your video clips
