tiktok coins can only be purchased directly from within the app the price usually sits around 100 coins for 1 but it does fluctuate as tiktok adjusts the prices for inflation and maximum profitability

although you can't share in tiktok advertising revenue successful tiktok performers can still make money on the platform the most obvious way is by influencer marketing if you can build a sufficient following of dedicated viewers you can market yourself to brands to sell products to your audience's demographic once you have keen followers you can create and sell merchandise to them particularly if you make your name in an unusual niche rather than just lip syncing you can also launch your career through tiktok
